LIBERTY SPECIALTY DRUG LIST

This is the Capital Rx specialty medication list. Specialty medications often have a higher copay. Both oral or injectable specialty medications are typically used to treat complex chronic conditions that require close monitoring or management. A limited distribution drug, or LDD, is a specialty medication that is complicated to manage and may only be available at select specialty pharmacies.

- The list is maintained by Capital Rx and will be continually reviewed and updated as changes are made in the market.
- This list may have medications not covered under your prescription drug benefit plan. To view the complete listing of covered products please visit cap-rx.com. If you have any questions about your prescription drug benefit, please call the number on your ID card.
- Brand name products are CAPITALIZED
- Generic products are lowercase
